1	Welcome and apologies.	
2	Minutes from previous meeting. Matters arising. Actions	
3	<p>Heather's report.</p> <p>A request for overnight stay from Berwick High School – denied as we have no insurance cover for overnight – but they want access to the loos. Charge them 3 hours. Playgroup running. Hall well maintained. Yoga etc. Windmill café running monthly. Banquets – produced by freelance chef – to be delivered in March. Trying to get some of the parents involved in committee who come to the playgroup.</p>	
4	<p>FINANCE - £4112 in the bank. Spending slightly more than we pull in every month. Rental – financial for the year - £2k plus, match funded by CELCA to £1,200.</p>	
5	<p>HALL – Survey; security; health and safety – cleaned to high standard; all security etc in place. Roof and roans recently checked – all in good order.</p>	
6	<p>Chair's report. Refurb – since lockdown, budget has soared. New architect is working with the committee and the builder to see where cost-cutting can be made.</p> <p>Future bookings – The Shee – female folk band; May 8th, at Longformacus. Tickets from Jonathan Wood – LVHC email but details to follow on The Herald.</p>	
7	<p>SCIO Update – BAVS – role of BAVS. OSCR has written to the committee to say they could find no fault with the trustees, after the complaint made to OSCR some time ago. While they recognise that the SCIO still has some hoops to jump through, they are wanting to see the election of a new committee this year.</p>
