

## CELCA Grant Application Form

**Application Reference:** GM 06/06/23.4

**Applicant/Organisation:**

The Lammermoor Pastoral Society is the Committee which organises the Ellemford Show. The Ellemford Show is a locally run family show. It is held on the last Saturday in September. The main attractions are the sheep competition, on farm cattle competition, the industrial section, vintage tractor section and dog trialling. The organising Committee consists of local people and uses local businesses as far as possible to source equipment & services needed to run the show. The show is very well supported amongst local farmers and residents, but also attracts a regular following in the community and from further afield.

**Reason for Application:**

To help fund some of the running costs of the show. The application is to fund 50% of the running costs listed below, which include the hire of marquee, toilets, generator, bus, printing, show dance costs and rosettes. An application has been submitted to Crystal Rig Wind Farm Fund for the other 50%.

**Benefit to the Community:**

The show is open to everyone and brings the community together. It gives those who work in this rural community a chance to showcase their work, in the stock classes, the industrial section and their skills in the dog trialling

**Disability Provisions:**

Accessibility is assessed in the organising of the show layout.

Disabled parking is allowed close to the show marquees and a disabled toilet is hired.

**Details of Funding Requested:**
