

CELCA Grant Application Form

Application Reference: SGM 01/03/23.7

Applicant/Organisation:

We are a small group of local residents whose aim is to provide social, educational and wellbeing events within our community encompassing the communities of Longformacus, Cranshaws and Ellemford through our village hall structure. These events range from coffee mornings, theatre evenings and currently keep fit classes. We are continually building upon our database of residents within the community who wish to be included/involved with events we have been introducing within the last six months and hopefully within the forthcoming years.

Reason for Application:

Our aim is to provide a food larder for Longformacus residents to serve as a top up and save petrol for the odd items. It has been well received and is very popular. It will be sorely missed if it had to be stopped. This application is to buy food for the larder.

Will ensure everyone has enough food.
