

CELCA Grant Application Form

Application Reference: GM 07/11/2023.6

Applicant/Organisation:

Messy Church is a national organisation bringing individuals and families together for times of creative activities; painting, gardening, card making, arc building, stick making etc. Some time is spent looking at some aspect of the bible using story, drama and music. A hot meal is provided so when families go home they don't have to cook. No children come unaccompanied. The church provides education, play and fun time, time for eating and socialising and plain old 'down time' for anyone of any age who joins us.

Reason for Application:

To continue to hold events by paying for some of the costs:

Expect events:

November/December - planting pots as gifts - eat - play - chat - cards

January - Calum's Creatures

Benefit to the Community:

By making relationships, developing skills and knowledge plus simply by providing some fun time out for individuals, families and others with a hot supper at the end.

We have educational happenings, fun and laughter happenings.

Sometimes we make and give gifts to older local people and cards for them.

All this benefits the community by bringing people together with others looking after them for a while. Helps foster friendships and skills.

Disability Provisions:

Accessible to everyone

Details of Funding Requested:

ITEM	QTY	COST
Hall Hire @ £25	4	£100.00
Decoration @ £25	2	£50.00
Craft - bulbs, pots, compost etc @ £50	4	£200.00
Food prepared by helpers/drinks @ £100	4	£400.00
TOTAL PROJECT COST		£750.00

Amount requested from CELCA: £750.00 this will cover 2 or 3 events

Details of other sources of funding:

None

Contributions from Applicant/Organisation:

Preparation and running of events, providing some of the food and making the rest and organising games, music, stories, speakers if appropriate and using many of our own materials.

Dates of Project:

November 2023 - ongoing usually 2 or 3 events through the year. No particular end expected as long as people still come along to the events.
