

## CELCA Grant Application Form

**Application Reference:** GM 07/11/2023.7

**Applicant/Organisation:**

Longformacus Village Hall Committee (SCO 49058) oversees the running of the village hall, ensuring it is in good repair, clean and well-kept, has a clear booking system and is available primarily for the use of residents of Longformacus and environs. Currently there are yoga and T'ai Chi groups, journalling and craft groups, a music group, children & parent's group and a monthly cafe. We also put on events throughout the year.

**Reason for Application:**

Applying for a grant to pay our bills for heating and electricity through the year. We keep the costs for hiring the hall at a low rate to enable use by local people. We would not generate enough income in a year to pay the current energy costs.

**Benefit to the Community:**

This grant will ensure the hall stays open especially during the winter when heating costs rise significantly.

**Disability Provisions:**

The hall has a toilet which allows wheelchair access and there is a wheelchair ramp giving access to the hall.
