

## CELCA Grant Application Form

**Application Reference:** GM 07/11/2023.2

**Applicant/Organisation:**

We are a small group of local residents whose aim is to provide social, educational and wellbeing events within our community encompassing the communities of Longformacus, Cranshaws and Ellemford through our village hall structure. These events range from coffee mornings, theatre evenings, yoga, playgroup, stitch and craft classes. We are continually building upon our database of residents within the community who wish to be included/involved with events we have been introducing to the community.

This application is to provide financial support with fuel bills during the winter months.

**Reason for Application:**

To provide financial support with fuel bills during the winter months at a time of high fuel costs and high inflation. This funding would benefit every household in the CELCA area.

**Benefit to the Community:**

By providing assistance with fuel bills to enable the community to heat their homes without the anxiety of a high bill. Applications and notification about the grant will be by post so all can access.

**Disability Provisions:**

Will particularly benefit people with limited mobility as they need higher ambient room temperatures to avoid hypothermia and promote good general health.
