

CELCA Grant Application Form

Application Reference: GM 01/06/2026.6

Applicant/Organisation:

Kids Club – Learn with Lizzie

Reason for Application:

To continue to fund the learn with Lizzie STEAM (Science Technology Engineering Art and Maths) sessions at Longformacus Hall.

Benefit to the Community:

This funding provides once monthly classes for up to 15 children (age 4-10) in the local community with a primary teacher. As a group they learn about STEAM subjects through crafting, carrying out experiments and watching demonstrations. At summer club the group also worked on entries for Ellemford show with two of the children attending sharing first place.

The children all would like the classes to continue, and they have consistently received very good feedback from parents.

Accessibility:

The classes are available to all children in the CELCA area between ages 4-10. Lizzie adjusts the activities to ensure that different age groups are catered for. She also chooses activities that the children are interested in. e.g. the next session will look at silage making.
