

CELCA Grant Application Form

Application Reference: GM 07/09/2026.3

Applicant/Organisation:

LeaLJ Dance Lessons

Reason for Application:

Provide funding for LJ dance classes to children and adults in the community.

Benefit to the Community:

Dance classes provide valuable physical, emotional, and social benefits for both children and adults. Regular participation improves fitness, coordination, balance, and confidence while providing a positive and enjoyable way to stay active. Dance also supports mental wellbeing by reducing stress, encouraging self-expression, and creating a sense of achievement. Group classes help reduce social isolation, build friendships, and strengthen connections within the community, providing an inclusive and supportive environment where people of different ages and abilities can participate, learn and thrive.

The costs of dance classes can mean that some children and adults are missing out.

Other Information:

LJ dance has a studio at Putton Mill which offers classes for 2 and above and various different types of dance. The dance studios are accessible.
