

CELCA Grant Application Form

Application Reference: GM 07/09/2026.4

Applicant/Organisation:

Longformacus Hall

Reason for Application:

This is a grant we will use to pay our bills for heating and electricity through the year. We keep the costs for hiring the hall at a low rate to enable use by local people. We would not anyway generate enough income in a year to pay current energy costs, although our income has increased from rentals on precious years.

Benefit to the Community:

This ensures the hall will stay open during the winter when heating costs rise significantly.

Other Information:

All classes and activities are subsidised for local people, as are our rents for hall hire to local people.
