

CELCA Grant Application Form

Application Reference: GM 03/06/24.2

Applicant/Organisation:

Application is from an individual on behalf of the residents of the community.

Reason for Application:

Swimming Memberships: The grant will be used to fund 70% of the annual membership of Duns Swimming Pool for community residents and provide 100% funding for children's swimming lessons for CELCA residents.

Benefit to the Community:

It will benefit the CELCA residents in that they are getting access to an excellent local sport's facility for 30% of the actual cost. It will encourage all parents to sign up for or to continue swimming lessons for their children, providing them with a potential life-saving skill and hopefully help them to keep safe around water and aquatic activities. This application will also help to secure the future viability of Duns Swimming Pool, ensuring it remains open for everyone.

Disability Provisions:

The swimming pool welcomes everyone including those with disabilities.

There is a hoist to allow disabled access to the pool.

Details of Funding Requested:

ITEM	Public Price	CELCA Price	COST
Children's swimming lessons (fully funded)	£260	20 @ £260	£5,200.00
