

CELCA Grant Application Form

Application Reference: GM 11/03/2024.10

Individual on behalf of the CELCA Community:

The **Cranshaws Larder** has been running successfully since 2022 and this grant would enable the larder to continue. Funding means basic essential food items can be bought for the larder. Anyone can collect these as they wish. People are encouraged to only take what is necessary for themselves and their family so that there is plenty for everyone.

Reason for Application:

Food is bought online and the larger is stocked by local volunteers. The community is very grateful for the larder and everyone seems very pleased with the selection of food available.

Our thanks to CELCA for providing the funds to make the larder possible.

Benefit to the Community:

It will help people cope with considerable rising living costs and hopefully prevent some emergency driving to Duns for everyday food items. This saves fuel costs which would increase living expenses and be environmentally negative.

Disability Provisions:

The larder is accessible to everyone and is located in a secure location.
