

CELCA Grant Application Form

Application Reference: GM 02/09/2024.1

Applicant/Organisation:

Individual

Reason for Application:

To purchase a laptop to assist with studies at the Engineering Academy at Strathclyde University. This laptop was chosen on personal recommendation from 2 people and also it is half the price of the other laptops that friends and colleagues also recommended. A Macbook Air or Dell laptop would be £1,200.

Benefit to the Community:

The applicant's son will be able to continue in further education at university and start a new career.

Other information:

The applicant's son has applied to SAAS to cover his Accommodation only and is waiting on a response.

At the moment it is not known what books will be required for his course.

The applicant's son has had a summer job in Edinburgh which finishes on the 29th August. He will be looking for another part time job when he gets to Glasgow.
