

## CELCA Grant Application Form

**Application Reference:** GM 02/09/2024.3

**Applicant/Organisation:**

Individual on behalf of the community

**Reason for Application:**

Willow Weaving Classes

**Benefit to the Community:**

Members of the community can learn to weave willow fronds into bird feeders. The tutor is an experienced grower and teacher in willow weaving.

This will be a good community activity and a new skill and is useful as a beginner skill for willow weaving.

**Additional Information:**

The workshops will run in both Cranshaws and Longformacus Village Halls which both have good accessibility for everyone. The classes will be small so that people will not feel overwhelmed. There will be plenty of time to learn and practice.

Both halls have accessibility
